Hi Mark,

[REDACTED] will be sending you, Anna, and Brianna our budget today.

I did not include any funds for Rome personnel to advance Bologna, as I believe your plan was for you and Millan to go up to Bologna on the last days of the Administrator's visit in Rome, so we had planned to stay in Rome until Sat. I'm not sure if that changed with the shift in the Vatican schedule?

Perhaps Florence can give you advance support.

Thanks, [REDACTED] Ex. 6 - Personal Privacy

Thank you for the clarification. I will run it by Administrator Pruitt when I see him tomorrow.

Mark

This proposal is not substituting the facilitated discussion on food waste and sustainable agriculture, is a further occasion for the two to stay together. Us business are welcome

Hello Stefano,

Would this be in place of the facilitated discussion at the University of Bologna or in addition to the event we discussed while I was in Rome? Would U.S. businesses be invited as well?

Mark

Dear Mark,

I talked today with Minister Galletti about the visit of Mr Pruitt on the occasion of the G7.

He was asking me to suggest that we organize a lunch with the local Business Council. The idea would be to put around the table around 20 local entrepreneurs for an exchange of views.

We could arrange 10 minutes courtesy talk with the President of the Bologna Business Council, the lunch with 20 entrepreneurs and then the bilateral.

What do you think about this proposal?

Best regards

Stefano
